

Personal Digital Learning Programme (PDLP)

2024 Secondary 1 Registration

Outline

1. Background & Intended Outcomes
2. Personal Learning Device (PLD) Model
3. Device Management Application (DMA)

01. BACKGROUND & INTENDED OUTCOMES

National Digital Literacy Programme (NDLP)

The National Digital Literacy Programme (NDLP)

Launched in March 2020 to **make digital learning inclusive** by equipping students with the digital literacies to be future-ready.

Under the NDLP, every secondary school student will **own a school-prescribed personal learning device (PLD)**.

Intended Outcome

Support the Development of
Digital Literacies

Support self-directed and
collaborative learning

Enhance Teaching and
Learning

Learning with PLD

SINGAPORE

STUDENT LEARNING SPACE

LEARN ANYTIME, ANYWHERE, AT ANY PACE

G Suite For Education

Students' Experiences

02.

**SUPPORTING
STUDENTS IN THE SAFE
AND EFFECTIVE USE OF
DEVICES**

Supporting Students in Safe and Effective Use of the Devices

The school has measures in place to enable a safer digital environment for learning with the use of PLDs, e.g.

- Classroom management and routines
- Educating students on Cyber Wellness
- Partnering parents/guardians to support students in their use of technology for learning
- Device Management Application (DMA)

Cyber Wellness Education

Educating students on Cyber Wellness

MOE has made significant changes to the Character and Citizenship Education (CCE). Cyber Wellness lessons will feature significantly in the CCE2021 lessons.

Topics covered in the Cyber Wellness lessons include:

- Cyber Use
- Cyber Identity
- Cyber Relationships
- Cyber Citizenship
- Cyber Ethics

For more information on Cyber Wellness in ADSS:
<https://www.admiraltysec.moe.edu.sg/cyberwellness/parents/permalink/>

Parents'/Guardians' Role

- We would like to partner parents/guardians so that that students are well supported in their use of technology for learning.
- As parents/guardians, you can help in the following ways:
 - Model good digital habits for your child/ward e.g. parents/guardians not using devices during family meals.
 - Know your child/ward well, and have conversations with your child/ward about safe and responsible use of technology.
 - Set ground rules for internet/device usage.
 - Encourage your child/ward to use productivity tools using his/her PLD, to organise information and simplify tasks for efficiency.

Device Management Application (DMA)

- Your child's/ward's PLD will be installed with a Device Management Application (DMA) to provide a safer digital environment for learning.
- Installation of the DMA will be performed after the collection of the device. Students will be guided on the installation.
- This applies to both devices purchased through the school and student-owned devices.
- The DMA will be funded by MOE and will be uninstalled from the device when your child/ward graduates/leaves the school.

03.

**PERSONAL
LEARNING DEVICE
(PLD) MODEL**

PLD Model

- Acer 11.6" Chromebook Convertible
- Estimated Cost: \$550 - \$600
- Warranty & Insurance: 3 years

chromebook

PLD Model Specification

- Memory: 8GB Memory
- Processor: Intel N200 Processor
- Storage: 64GB eMMC
- Weight: 1.35 kg
- What's in the box: Device, Power adaptor, USB Mouse, Carrying Case, Active Stylus
